IPS is proud to partner with the National Real Time Crime Center Association to present **Initial Response to Barricades**. Retired 31-year police officer and 17-year crisis negotiator John Woosnam delivers practical, experience-based training designed for public safety professionals. Learn proven strategies to:

- Contain the scene
- Safely de-escalate volatile situations
- Communicate effectively with barricaded subjects
- Transition seamlessly to SWAT and Crisis Negotiators

Designed to prepare agencies for effective response during high-risk barricade incidents.
